A Legacy in Every Pour: The Release of “Nonna’s Cuvée” Wine

We are proud to unveil a truly special tribute decades in the making: the Thompson 31Fifty 2024 “Nonna’s Cuvée” Pinot Noir. This exclusive private label release is the culmination of a 25-year friendship between Winemaker Mike Thompson and Chef Tim Creehan. From their first meeting in 1999 to their foundational work with the Destin Charity Wine Auction, this wine is an homage to a shared passion for world class hospitality and fine craftsmanship. Inspired by the Thompsons’ travels to the Amalfi Coast and the opening of Chef Tim Creehan’s Nonna’s Ristorante in Destin, Mike Thompson crafted this Cuvée as a surprise tribute to Creehan’s culinary vision.

"When Chef Tim opened the Destin Nonna’s, we knew we had to private label a wine for his new creation," explains winemaker Mike Thompson on his inspiration.

"It was a magical moment for me and so very kind of Mike and Valerie," recounts Chef Tim Creehan upon first receiving the private label.

The Wine

Born in the fog-kissed Russian River Valley, this vintage is a masterclass in balance. Expect vibrant aromas of wild strawberry, pomegranate, and Bing cherry, layered with delicate notes of rose petal and subtle baking spice.
