Relocated Beach Walk Back Up And Running

Destin, Florida (February 9th, 2009) - Tim Creehan & Company's flagship restaurant Beach Walk has walked down the beach and found a new home at Destin's Henderson Park Inn. After an economy-induced hiatus, the award-winning eatery has relocated and will reopen its doors to the public on Sunday March 1st 2009.

Beach Walk 2.0 features a more intimate atmosphere with reservations required for limited seating. Familiar staples such as Toes in the Sand Dining and Exceptional Events are all back in full effect, as well as the unparalleled view of gorgeous sunsets from directly on the beach.

"I'll be in the kitchen a lot," Creehan muses. "Bringing all the focus back to a single venue ensures we'll be able to one-up everything people love about Beach Walk." Creehan protégé and Executive Chef Jason Gouker will assist in taking the Beach Walk menu to the next level, which includes an emphasis on locally grown organic produce.

The restaurant will serve lunch from 11:30 to 1:30pm, and fine dining from 5:30 to 9:30pm. Beach Walk at Henderson Park Inn overlooks the gulf at 2700 Scenic Highway 98 in Destin Florida.
