Certified Executive Chef Tim Creehan of the Beach Walk Cafe in Destin, FL, surely has a way of preparing the glorious food. While the Destin locals and travelers alike already know this legendary fact from visiting his restaurant, Chef Creehan's star is rising fast as he creates delicious specialties for his guests.

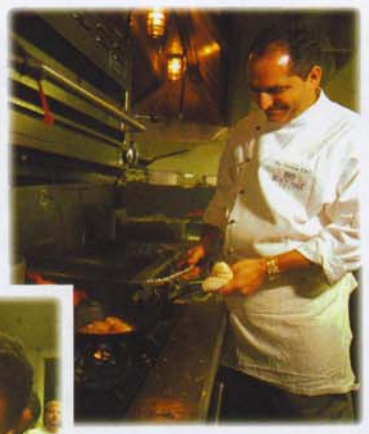

Located on the Gulf of Mexico's emerald waters, where blue skies and crystal white sand soothe the spirit, the Beach Walk Cafe is the ideal destination for intimate fine dining, power lunches, or casual beachside afternoon snacks and cool beverages. It's no illusion - it's a dream come true!

Innovative, healthy cuisine and artful attention to presentation distinguish the Beach Walk Cafe as a restaurant with a point of view.
