BRUNCH

BEACH WALK

Sunday brunch at Beach Walk is a thing of beauty. Signature dishes such as Thai Chicken Salad and pepper-crusted tuna join more traditional options like scrambled eggs and southwestern omelets on a menu that reads like poetry.

CASUAL DINING

BONEFISH GRILL

Bonefish is still your favorite casual place to relax and grab a great bite to eat.

CATERER

FANCY TOMATO

The Emerald Coast's original white glove catering company, Fancy Tomato's experienced staff has been planning and cooking for your favorite events since 1994.

CHEF

TIM CREEHAN

A certified executive chef, author, teacher, inventor, dynamic entertainer and a steward of his community, Beach Walk's Tim Creehan is also, once again, your favorite chef.

DESSERT

BONEFISH GRILL

There's always room for crème brulee. Or perhaps key lime pie? Or chocolate macadamia-nut brownie cake . . . mmmm . . .

FAST FOOD

WHATABURGER

The unmistakable orange-and-white-striped A-frame Whataburger restaurants are icons along the Emerald Coast and across the South.

*"Thank you to all our friends and clients!
