**Cabernet on the Coast**

Wine lovers prepare, Silver Oak Cabernet will be the featured wine at The Beach Walk Silver Oak Wine event on May 9th 2005. This exclusive dinner presented by Beach Walk and National Distributing Company will include a relaxed wine presentation by Tom Johnson from Silver Oak Wineries and an elegant dinner appealing to the casual wine drinker as well as the most discerning connoisseur.

The beautiful natural backdrop the Gulf of Mexico makes the perfect setting for an evening of specially selected pairings. In the early 1970's Silver Oak Cellars began with a simple philosophy to focus production on one varietal, Cabernet Sauvignon. Silver Oak Cabernets are allowed to fully develop a vivid bouquet and softness that comes from lengthy bottle age. Silver Oak Cellars produces Cabernet Sauvignon from two appellations, Napa Valley and Alexander Valley and is consistently America's #1 most requested Cabernet Sauvignon.

This dinner features unique wines specially selected and paired with creative courses from Chef Tim Creehan's extensive culinary repertoire. Guests will enjoy these expertly paired courses and outstanding wines for one night only, May 9, 2005 at 7:00 PM.

The menu's highlights include:
