Beach Walk Café Alters Name to Make Room for Future Expansion

(October 20. Destin, FL) – Chef Tim Creehan’s flagship restaurant Beach Walk Café will now be known as Beach Walk Crystal Beach. The name change is a sign of things to come.

“We want Beach Walk to be able to be transported to other areas. For instance, we may have a Beach Walk Blue Mountain in the future,” says owner and chef Tim Creehan. “Our goal is for Beach Walk to stand for a quality of food and service that patrons will find at all of our establishments.”

Beach Walk is still the home of Creehan’s fine dining cuisine located at 2996 Scenic Highway 98 East in the Inn at Crystal Beach in Destin. The only changes you’ll find inside are a few seasonal menu changes and the chef’s delectable daily specials.

The website address will remain www.beachwalkcafe.com. “The site is very popular and everyone is so familiar with the existing address, we opted to leave it as is,” explains Creehan.
