### **Fly Away Dinner to Destin, Florida**

**Destin, Florida (July 28, 2006)** – On Thursday, July 20<sup>th</sup>, Susan and Nick Brown from Little Rock, Arkansas, along with four of their companions, flew in a private plane from Little Rock to Destin, Florida to dine “Toes in the Sand” at Beach Walk Crystal Beach.

The Browns bid on the Fly Away Dinner package at an Eggshibition Charity Event supporting Youth Home, Incorporated in Little Rock, Arkansas. With a generous bid on the Fly Away Dinner supporting the organization, the Browns received more than a plane ride and dinner on the Coast, they were given a priceless memory, “red carpet treatment the minute we arrived at the airport,” exclaimed Mrs. Brown.

For this special event, chef/owner of Beach Walk Crystal Beach, Tim Creehan, personally provided an escort from the Destin Airport to Beach Walk, located on Scenic Highway 98. A view to dine for was provided as diners enjoyed a private, five course dining experience on the sugar white sands of the Emerald Coast. “To be able to have our feet in the sand and be treated to an exquisite meal was just heaven.” Guests also enjoyed a guided tour of the restaurant and autographed cookbooks and Beach Walk apparel.

Youth Home is a private, non-profit treatment center for emotionally troubled adolescents and their families. The organization's mission is to help emotionally

troubled adolescents and families become healthier contributing members of the community. For additional information on Youth Home, visit [YouthHome.org](http://YouthHome.org).
